

Learn in a Creative Environment

Choose the medium you want to work in and the time that best suits your schedule. We have a variety of classes and times to choose from. Classes are individually tailored to enable you to grow as an artist at your own pace.

Also, because of the way we structure the classes, while you are in a group setting, the learning is tailored specifically to you on an individual basis.

Treat yourself or somebody you care about to art classes... they're good for the soul.

Art Class Fees

▶ The cost of the classes is \$88 per month. This is based on four classes in a month. In months of five weeks, the cost is \$110.

▶ Occasionally there will be fewer than four classes in a month. This occurs at times like Christmas, which may have only two or three classes in the month. When this happens, the classes are pro-rated to \$22.00 per class.

▶ Fees for new students are due at time of registration. For continuing students, fees are due on the last class of the current month. Fees may be paid by cash, cheque, debit, visa or mastercard. If for any reason you will miss the last class of the month, but wish to continue, fees can be prepaid at any time during the month.

▶ You need to re-register at the end of each month to ensure your place in the following month's class. All current, registered students have priority in the next month's class. Should you choose not to attend for the next month, please let us know as soon as possible so that we can fill your spot from the class waiting list.

▶ All students are required to supply their own art materials. We have a complete line of materials here at *The Studio*. Ask about our Artist Loyalty Rewards Program. It could be worth a nice rebate at the end of the calendar year!
